Regattas

The next regatta coming up for the season is the big one – MRA regatta – this is held at Lake Moodemere Sat 13th Jan & Sun 14th Jan.

This is a big weekend of rowing, but also big off the water. As one of the host clubs this year we will be catering over at the lake. We also hold a dinner at the club on Saturday night for hopefully around 200 people.

More information will be shared via email closer to the date, but if you are in town that weekend and could help out for a few hours at the lake and/or at the dinner could you let Stacey or Cas know so we can put you on the roster.

We will also be looking for people to make some salads and/or dessert for us to use at the dinner – we have changed the format this year to offer 2 x kinds roast meat (brought from Corowa Meats), 5 types of salad – (Potato, Pasta, Rice, Coleslaw & Tossed) the club will provide the coleslaw and tossed but will be looking for people to take a container home to bring back with some delicious salads.

Desserts we offer are sticky date pudding, chocolate log cakes, fruit salad, cream and slices – we look for members to donate sticky dates and chocolate log cakes

There will a list up at the club just after the new year so please put your name up if you can assist – all food can be dropped off at the club rooms on Friday night

Other News

New Years Eve – The club this year will again open its doors to all club members and their guests for NYE. It is a strictly BYO event – no bar will be available.

The BBQ will be available for use – people will cook their own meat and share salads – or if you prefer just bring along platters of nibbles for you and any guests you bring.

Great spot to watch the 9.30pm and then the midnight fireworks from.

Catered Dinners

Last night the pizza night was very successful – with 66 people enjoying 46 pizzas! Thanks to all helpers. The next night is Thursday 25th January – TACO night – names will go up on board soon - this will be \$7 per person.

The committee of the Corowa Rowing Club would like to wish all our members and their families a very Merry Christmas and a safe and Happy New Year!

**Training times will be up on the board – there will be some morning training available
If in doubt talk to Wes**
