## Club News

### MRA

MRA regatta is fast approaching – still looking for a couple of helpers for over at the lake on Saturday especially.

For the dinner Saturday night (14<sup>th</sup> Jan) – we are looking for some mince lasagnes, chicken casseroles, vegetarian lasagnes, sticky date puddings and chocolate ripple cakes. There will be a list up at the shed for you to put your name down on. Anything hot must be brought down to the club or given prior to the day. We also need helpers to serve and clean on the night.

A roster for this weekend will be sent out before New Year or just after so everyone can make sure they are available at their times ☺

### Catered Dinners

We have had a pasta night and a pizza night so far this season. Next year Cas will be organising a burger night – keep an eye on the board for dates.

### New Years Eve

The club this year will again open its doors to all club members and their guests for NYE. It is a strictly BYO event – no bar will be available.

The BBQ will be available for use – people will cook own meat and share salads – or if you prefer just bring along platters of nibbles for you and any guests you bring.

Great spot to watch the 9.30pm and then the midnight fireworks from!

*The committee of the Corowa Rowing Club would like to wish all our members and their families a very Merry Christmas and a safe and Happy New Year!  
Training will be as normal (except closed on Xmas day)*
