New Ideas/Concepts

This year we have some exciting new programs to launch at the club – we will be implementing a formal **Learn – To – Row Program's** which will then feed into either the competitive rowing program or into our social rowing.

This program will cost participant's approx \$40 for a 4 week program and if they chose to keep going that money will be deducted off the cost of membership. This will be a structured program taking place on Thursday nights and Sunday mornings. More information will be available closer to the start date. We hope to run this twice a year.

School rowing will once again feature in conjunction with Corowa High School. This is undertaken during Sport on a Wednesday Afternoon in Terms 1 & 4 – if you are interested in coming along and assisting these kids please let Wes know.

To further this program we will be working in conjunction with Rowing Australia to implement a rowing program to roll out to Primary age kids. We will be following a model developed by Rowing Australia.

Fundraising/Social - Quite often we have lots of ideas to try for a social/fundraising event. We are looking for anyone with ideas that would like to assist or even run one. Some ideas have been trivia night, bike rally, amazing race, movie night at club, ten pin bowling night.....

Catered Dinners will be back again for this season. They will occur once every 3 or 4 weeks – the cost is kept low – no profit is made from these dinners, it's just a great social night - Dates will go up on board, if you are interested in organising one just let Stacey know – we usually have a pasta night, pizza night, chicken schnitzel night even a taco night. Cost range from \$5-\$8 per person. On the other Thursday nights everyone is welcome to stay for a BBQ – bring your own meat and a salad to share.

Regatta Dates - There may be additional regattas especially School aged based ones – Wes will let everyone know.
